## CONNECTING WITH PEOPLE

2Engage also facilitates a number of groups in the community:

- We meet with college students and young adults weekly through Discord. This outreach effort provides opportunities for young people to connect for spiritual conversations and prayer.
- We also serve communion at the North Dearborn Village on the first Sunday of the month and facilitate a weekly The Chosen video discussion group. All are welcome to join.
- Our Experience God Guys group for men 18 and older and meets on the first Saturday of the month at 8 AM for encouragement and prayer. The book is provided.

## ENGAGEMENT

We have nine small groups meeting throughout the Tri-State, ranging from 4th graders, middle and high school, college, and adults. It is all about connections!

Additionally, we are excited to be meeting with students at East Central Junior and Senior High School and North Dearborn Elementary for various activities. We praying for new opportunities to develop and foster more connection points throughout 2023!

Please connect with us if you are interested in learning more about our small groups or spiritual growth opportunities.

## OPPORTUNITIES

Student Leadership Academy! The Student Leadership Academy is a great opportunity for students to connect with others and be invested in. This program equips students with leadership training and tools they need to impact their world and have an advantage as they head to college, the military, or the workforce. Each session is hosted on Zoom for one hour. We are signing up for the next session this quarter.

## JON BATCH

Life can be and often is a lonely and long road. But does it have to be full of loneliness and walking alone? I don't think so, in fact, I believe we are designed for community--one of the key aspects of 2Engage. We need community, connections, and care. I pray over the years, you have received and provided the three c's above. Please join me in 2023, in the effort to connect ourselves and others in a safe community to live and grow in and through.

## HERE 2 ENGAGE APP

That is right. We have a phone-based application that connects people with people. The app is a one-stop shop for churches, groups, ministries, businesses, and people to connect with their people. We look forward to providing this service to our world soon. For more information please visit the [2engage](http://2engage.org) web site.
